Sixteen hours later...

WELCOME-TO-LOSTCO-PLEASE-HAVE-YOUR-ID-READY-I-YOU-CAN-CHECK-OUT-ANY-TIME-YOU-LIKE...

...BUT YOU CAN NEVER LEAVE!

Lost City

Last keys stay lost.

Last goat, sorry, no room
in the attic for you.

Last marbles, got enough.

Nothing like chewing gum on a
string for finding lost treasures!

Wicked! Someone lost
their treasure map!

This could be the find of a lifetime...
The Lost City!

Aboard the SS Lost Ark...

First, I lost my way.
And now I've lost the will to go on!

You've got to help us! We've
been lost on that island for
decades! The film crews
stopped coming long ago!
Please don't leave us!

And I'll be so grateful, I'll tell
you stories every night about
my hilarious misadventures
sabotaging the escape attempts
of my hapless companions!

Some people don't understand.
I search to be lost!

Ugh! You can stay lost!

!@#%?!

POOM!

We did it!
We found Atlantis!

Don't want to lose this.

So that's where my chewing gum
on a string went!
I thought I'd lost you forever!

Wait a minute! This map has been
folded stuck the whole time?

All this time, the Lost City
was only Atlanta?

I should've
kept the goat!

LOST IN SPACE

Well, keep up if you want.
But let's not lose
any time here.

I've got a
story to
write.

I've lost my patience with this place.
Anyone got any bright ideas?

We could go see the Oracle,
though she's lost her mind
and gives terrible advice.

It's our lost chance!

8 BITS LATER...

Very well, little girl lost.
Let me consult the crystal ball.

I predict that tonight I'm gonna sail
around the multiverse in my solar sailer
with 40 of my closest friends.

Huh??

Oh, sorry, I lost my train
of thought.
You asked about You...

You put on the red shoe,
stay in inner space, and I show
you how deep the rabbit-hole goes.
Remember -- all I am offering
is the truth, nothing more.

Keep talking.

You put on the blue shoe and
the story ends. You go back
to your world and believe whatever
you want to believe.

No thanks, I've
got my Mary Janes.

You're a lost cause, kid.
But at least you didn't
lose your integrity.

And for that,
I'm sending you home!

POOF!

Strange. I seem to have lost
a minute somewhere.

Wait a minute!

Where'd my
minute go?

Oh, I remember!

I hit the spacebar and
got lost in inner space.

That's the lost
time I'm touching
that thing!

We're trying to get to the Troublucan Convention!

We're lost!

Every witch way is lost! You can call me Auntie Emily.
Now, why don't you come on in and have some...

...SOUP!

That was delicious, Auntie Em!

Why, thank you! The batblood was a
little sweet tonight, but I made it
nice and bitter with salamander
toe jam and wulture snoot!

MMMMMMMMMMMM

Well, lunch is over, want to play a fun game with my guillotine?

It's fun-- it kind of tickles.

Okay, now, everybody in.

Disclaimer
Emily the Strange
has special powers
that you do not
have! Do not chop
off legs with your
home guillotine!

Ahahahahaha! You've lost your mind!

Oh Auntie Em,
this is the most fun ever!

All right. That's enough chopping fun
for one day, let's not lose our heads here!

I've got to get them out
of here right away!

So, you mentioned you were on the way to the Troubligan convention?

Oh yes! It's going to be great!
Oil wells in the Amazon!
Militarize! Attack Canada!
Tax the poor! Tax the cats!
Kill the arts! Kill the poor!

Well, would you help me out with one thing before you go? You see, my little kitten wandered into the oven and...

Wow! You have an oven?
That's great! We gotta go!

INCINERATE

Thanks for a great time!

They truly are lost souls!
